Thank you for volunteering your time and efforts to make the FLL program better. Without you our program would not be possible.

To ensure that everyone is safe and in compliance with the national Little League organization requirements ALL individuals volunteering within the FLL program must complete a background check.

Please complete the following and return it during registration or email this information directly to Safety Officer, Dan Morgan, at danielpmorgan@hotmail.com

Each Volunteer will receive a unique link to the online background check from JDP, Little League's national background check service. Please watch for that link and respond within 24 hours. Contact Dan Morgan with questions or if you do not receive the link.
